**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Without competitive actions we will be left at the mercy of the large companies and held hostage by their rates. We need more companies to grow with the technology and provide us all with choices as to each of our individual needs.

Do not give into the pressure of the large overpowering companies.

I'm on a fixed income and price hikes will cause me to give up the internet and telephone service.

Sonic has upgraded and continued to provide me with a better service in both the internet and phone service.

Thank you,

Cheryl Osborn
